

Made exclusively with wild harvested and organic certified açai berries and freeze dried in state of the art facilities, Amazon Planet® Açai Powders retain all of açai's amazing nutrition in its purest and most concentrated form. Not only don't they contain any sugars or caffeine, but also no fillers, preservatives or additives of any kind, not even citric acid. Used regularly, Amazon Planet® Açai Powders will help fight free radical damage, strengthen the immune system and increase energy levels by providing the full spectrum of açai's potent antioxidants, heart-healthy omegas, vitamins and minerals. Just add 1 tablespoon to your favorite smoothie, juice or beverage once or twice a day.

Wonderfruit Açai®, our line of premium, fresh frozen packs of authentic Amazon açai, is the perfect ingredient for blended smoothies and bowls. Made exclusively with wild harvested açai berries and fresh frozen in its Amazon heartland, our Wonderfruit Açai® packs retain all of açai's amazing nutrition and revitalizing power: Loads of potent antioxidants, heart-healthy omegas and dietary fiber, a complete amino acids profile and over 10 vitamins and minerals! What's more, all this awesome nutrition comes without the addition of preservatives, emulsifiers or additives of any kind.
